Soaring Eagle Takes Off

We celebrated the grand opening of the newest attraction at [Peek'n Peak Resort](#) with a ribbon cutting ceremony on June 22nd. The **Soaring Eagle Zipline** takes riders across the resort high in the air the distance of over 2 and 1/2 football fields, 130 feet in the air, pausing the riders to see the gorgeous views. A super fun thrill ride added to the mountain adventures at the Peak for all ages to enjoy! Congratulations Scott Enterprises on another winner!

Naming Ceremony for Highmark Amphitheater

It was a lovely evening on the bayfront at Liberty Park for the Ribbon Cutting and Naming Ceremony of the Highmark Amphitheater on June 27th. The newly constructed amphitheater is absolutely gorgeous, tip of the hat to E. E. Austin! The celebration included a free concert at the park. Congratulations to the [Erie Western Pennsylvania Port Authority](#) and [Highmark!](#)
